The Arizona Translators & Interpreters Inc. (ATI) invites you to submit a presentation proposal for its Annual Conference to be held on, Saturday, September 24, 2022, its first in-person gathering in two (2) years!!

Submissions are invited from all areas of translation and interpreting, including healthcare, legal, community, education, literature, regulatory, media, science/technology, social media, terminology, language services providers, addressing languages of lesser diffusion, specialty areas, practical skills workshops, training and education, changes in policy that address the need for more and better language assistance, data, demography and emerging trends.

Speakers will receive complimentary conference registration.

Submission deadline is **July 29, 2022**. You may send your proposal electronically to [francesca@atiinc.org](mailto:francesca@atiinc.org). AV needs will be solicited following selection. Presentations and handouts will be requested in advance.
